

# The 16th Asia Conference on Mechanical and Aerospace Engineering

December 19-21, 2024  
Chengdu, China

[www.acmae.com](http://www.acmae.com)

## ACMAE 2025

### • Publication

Accepted and registered papers will be included in the IOP-JPCS conference proceedings which can be indexed by Ei Compendex, SCOPUS, etc.

### • Conference Committee

#### Advisory Chairs

Chih-Yung Wen, The Hong Kong Polytechnic University, Hongkong, China (Head of AAE, PloyU, HKIE Fellow, AIAA Fellow)

Xisheng Luo, Institute of Mechanics, Chinese Academy of Sciences, China

Ting Si, University of Science and Technology of China, China

Juntao Chang, Harbin Institute of Technology, China

Jili Rong, Beijing Institute of Technology, China

Linzhi Wu, Harbin Engineering University, China

#### General Chairs

Ge Wang, Harbin Engineering University, China

Sijun Zhang, Aero Engine Academy of China, China

#### Conference Co-Chairs

Ben Guan, Harbin Engineering University, China

Rui Zhao, Beijing Institute of Technology, China

#### Organizing Committees

Haiwei Yang, Harbin Institute of Technology, China

Hong Chen, Harbin Institute of Technology, China

#### Program Committees

Lin Bao, University of Science and Technology of China, China

Zhufei Li, University of Science and Technology of China, China

Zhigang Zhai, University of Science and Technology of China, China

Jiaao Hao, The Hong Kong Polytechnic University, Hongkong, China

Yazhong Jiang, Wuhan University of Technology, China

Xiaoyong Wang, Institute of Mechanics, Chinese Academy of Sciences

Zaijie Liu, Nanjing University of Aeronautics and Astronautics, China

Xiazhen Liu, Computer Network Information Center, Chinese Academy of Sciences, China

Ian McAndrew, Capitol Technology University, USA

#### Publicity Committees

Chenghai Xu, Harbin Institute of Technology, China

Weixuan Li, Nanjing University of Science and Technology, China

Juchun Ding, University of Science and Technology of China, China

He Wang, University of Science and Technology of China, China

Mojun Chen, The Hong Kong University of Science and Technology (Guangzhou), China

Wu Yuan, Computer Network Information Center, Chinese Academy of Sciences, China

Jian Yu, Beihang University, China

#### Local Committees

Xiande Wu, Harbin Engineering University, China

Jiangtao Xu, Harbin Engineering University, China

Hai Sun, Harbin Engineering University, China

Guocai Yu, Harbin Engineering University, China

Zhiguang Song, Harbin Engineering University, China

Jinshui Yang, Harbin Engineering University, China

Qi Deng, Harbin Engineering University, China

Yuyang Chai, Harbin Engineering University, China

#### International Publicity Committees

Vsevolod V. Koryanov, Bauman Moscow State Technical University, Russia

Elena Vishnevskaya, Embry Riddle Aeronautical University, Germany

Katarina Monkova, FMT TU Kosice with seat in Presov, Slovakia

Calogero Orlando, Kore University of Enna, Italy

Dharmahinder Singh Chand, Chandigarh University - Punjab, India

### • Conference Introduction

The 16th Asia Conference on Mechanical and Aerospace Engineering (ACMAE 2025), the sister conference of ICMAE, will be held in Chengdu, China during December 19-21, 2025, following the successful conferences in Hongkong, China last year, online in 2022, Nanjing in 2021, online in 2020, Bangkok, Thailand in 2019, Singapore in 2018 and Yokohama, Japan in 2017.

ACMAE 2025 is sponsored by Harbin Engineering University, China, co-sponsored by Beijing Institute of Technology, China, hosted by College of Aerospace and Civil Engineering, Harbin Engineering University, China, technically supported by Wuhan University of Technology, China, Capitol Technology University, USA and Washington University in St. Louis, USA.

### • Call for Special Sessions

ACMAE 2025 proposals for special sessions within the technical scope of the conference. Accepted papers will be published by conference proceedings, inclusion to indexing databases. Welcome your proposal!

Proposals should include the following information:

- Title
- Brief description of the special session
- Related topics
- Name, brief biodata and photo of organizer
- E-mail address of main contact person
- Potential participants

Proposal submission deadline: October 15, 2024

### • Topics of Interest

Aerospace Communications

Additive Manufacturing in Aerospace

Autonomous Systems and Robotics

Energy Harvesting and Sustainable Design

Fluid Dynamics and Aerodynamics

Propulsion Systems and Combustion

Aeroelasticity and Structural Dynamics

For more please visit: <http://acmae.com/calls.html>

### • Important Dates

Submission Deadline: 2025-10-30

Notification Deadline: 2025-11-20

Registration Deadline: 2025-11-30

1. Full paper submission is for publication and presentation.
2. Abstract submission is only for presentation.
